

Isaac Banoun has a dream for
V-Meds NanoMist Therapy:
to ease pain and suffering and breathe free.

Isaac Banoun: entrepreneur, inventor, marketer, moved to LA & founded California Box to deliver jewelry boxes in 48 hrs, something never done before, soon a \$10M company. First in industry to manufacture in China; founded Jewelpak & invented SoftTouch, a coating for boxes with a soft feel, & partnered with PPG in 1997 to generate over \$1B in sales worldwide. Founded Alsa Refinish to make coatings & paints. Holds many patents & speaks 5 languages, 4 fluently. V-Meds is his dream, his legacy.
